

2025 Student Survey - ENSS 120

Dear students registered for 'Intro to Environmental Studies'. This survey provides a foundation for your grade assessment as well as the work you'll do in this course. This is your first assignment.

Please complete and submit this survey by Friday September 26th at 5pm. We will work on this in class both Tuesday 9/23 and Thursday 9/25 so I would NOT submit this until after class on September 25th. But by all means, start working on it now in a separate document.

If you have recommendations, concerns, or questions about the course, please add those at the end. I look forward to reading your responses! Ali

What's your name, as listed by Drexel's registrar? *

Marc Daubert

What name would you like to use in our course? Should I update MS Teams to reflect this? *

Marc

What are your pronouns? *

he/him

What are your degree programs? Include minors and certificate programs. *

cybersecurity

Where are you in your studies, i.e. freshman, sophomore, etc.? *

fourth year

Have you gone on co-op yet? What did you do for co-op, if yes? If no, what would you like to do for co-op? Any other relevant work experience? *

yes, I have gone to co-op. I wish my next co-op is as a cybersecurity analyst

Please list all the courses that you have taken that you believe prepares you for Intro to Environmental Studies. When and where did you take these courses? *

This is my first environmental studies class. this class is structured very differently so far than any of my previous classes, so i dont think they have prepared me.

On a scale of 1-5, please estimate the extent to which you consume information about environmental issues. *

	1	2	3	4	5	
	☐	☐	☒	☐	☐	
Never.						I have an hourly news alert.

Please elaborate on the above response. The above question is really trying to get a sense of the knowledge you all have coming into the course. Your honesty matters. Thank you for your honesty. *

I am very interested in activism, but i have taken no classes or learned about it in a professional capacity

Please list three personal learning goals for this course. These should be three personal goals that you can talk about in your portfolio. Feel free to have many more than three goals! *

improve my relationship with school and work

Name five things that you do well as a student. *

I have a good system to study, I am good at separating my personal and school life, I rarely if ever miss a class, I believe that im a good listener, and i engage with my classes alot.

What are your post-graduation plans? *

to get a cybersecurity job and maybe move to Canada

What are your research interests? Or, alternatively, what are your creative interests? *

I play music in four bands and make comics when not in school.

On a scale of 0-5, where five means a lot and zero means not at all, please rate the extent to which you have covered the following topics:

	0	1	2	3	4	5
urban sustainability	☐	☐	☐	☐	☒	☐
green infrastructure	☐	☐	☐	☒	☐	☐
structural racism	☐	☐	☐	☐	☒	☐
food justice	☐	☐	☐	☒	☐	☐
slow disasters	☐	☐	☒	☐	☐	☐
settler colonialism	☐	☐	☐	☒	☐	☐
international climate policy	☐	☐	☒	☐	☐	☐
CO2 emissions	☐	☐	☒	☐	☐	☐
carbon trade	☐	☐	☒	☐	☐	☐
white privilege	☐	☐	☐	☒	☐	☐
The Anthropocene	☒	☐	☐	☐	☐	☐
feminist theory	☐	☐	☐	☒	☐	☐
climate activism	☐	☐	☒	☐	☐	☐
the policy-making process	☒	☐	☐	☐	☐	☐
emergency						

preparedness

renewable
energy policy
and tech

just transitions

If there are other relevant topics that you have covered in previous classes, but are not listed above, please list them here. *

I cant think of any. I haven't taken an environmental class before

If there are other topics that you would like covered in this course, please list them here. Feel free to use the list above. *

I don't know any

Do you have any concerns about this class that you would like to discuss with me, or things that you'd like me to know? (This could be anything from upcoming absences you know about, to strategies around classroom inclusion, to concerns about meditation, etc. etc. etc. Anything.) *

I cannot think of any. Any absences, problems or questions I will message you about on teams.
